MEMORANDUM FOR:
Deputy Director/OSWR

25X1

SUBJECT: Soviet Armored Developments.

1. Per our telephone conversation, it would still be of value to provide to the SecDef at the weekly DCI/SecDef breakfast any information we might have regarding Soviet armored developments that might negatively affect the current U.S. anti-armored program. I have in mind, for example, memorandum As I noted in our telephone conversation, I will need an indication from you by COB Tuesday, 20 August, of any material to be included in the book, and I will need the material itself by noon, Thursday, 22 August.

25X1

2. Thank you very much.
